POWER ON / OFF

Power On - Slide power button from OFF to ON

Automatic Power Off - Power will automatically turn the device off if there is no connection for 10 minuted or if the battery is below 5%.

CONNECT AND USE (WIRELESS)

1. Charge your *PLAY* with the included Charging Cable until the green light remains on (indicating a full charge).
2. Turn the headphones on by sliding the power button from OFF to ON. Headphones will automatically enter Pairing Mode, indicated by a green and red alternating flash.
3. Select *"Happy Plugs - Play"* on your phone/device to pair. You will hear a voice prompt indicating a successfull pair. Your headphones are now ready to be used.

CONNECT AND USE (WIRED)

1. Use the included 3.5mm Cable to connect your *PLAY* to a device.

! Your *PLAY* does not have to be charged or turned on to be used in wired mode. The microphone doesn't work if the headphones are used this way.

PAIR TO ADDITIONAL DEVICES

1. With the headphones turned on, press the MFB-button for 10 seconds to enter Pairing Mode, indicated by a blue and red alternating flash.
2. Select *"Happy Plugs - Play"* on your phone/device to pair. You will here a voice prompt indicating a successfull pair. Your headphones are now ready to be used.

! When you turn on your headphones they will automatically connect to the last connected device.

AUDIO SHARING

Audio Sharing can be used to connect two *PLAY* headphones together, listening to the same source.

1. Connect *Headphones B* to *Headphone A* using the included the USB-C Cable.

ANTIBACTERIAL PROTECTION

Your *PLAY* comes with Biomaster antimicrobial technology, an incredibly effective way to stop the growth of harmful bacteria.

The additive works 24/7 to protect product surfaces and the inbuilt antimicrobial protection is effective for the lifetime of the product with no harmful effects.

Biomaster is also used in medical, food and water applications.

HEARING LOSS PROTECTION

Your *PLAY* headphones are designed to protect your eardrums from hearing damage following the World Health Organisation's recommendation of an 85dB-limited volume range.

CLEANING

The leather used on this product is 100% vegan leather. Its appearance will change as you use it. It might acquire a patina and might change color due to the oils from your skin and direct sunlight, further enhancing the natural look.

Cleaning the leather might affect its color. If you choose to clean it use a clean cloth with warm water and mild hand soap. Leather cleaners and conditioners can change the color of vegan leather.
