ACME Wireless Over-ear headphones

Nothing better than enjoying a personal concert of your favourite band. With the ACME BH317 Wireless Over-ear headphones you can do that for up to 60 hours with a full charge. And if that’s not enough, continue the music through the passive mode (3.5 mm AUX port). Larger earcups mean more comfort, but that also means less space in the bag. Not in this case! These soft, leatherette covered headphones can be folded and take up half the space! And for extra convenience a twist to play / pause function was included. This way you won’t have to pause your music manually for a quick chat. Just twist the earcups inwards and the music will stop.

Continuous playing
Enjoy up to 60 hours of continuous music on a full charge

Twist to play / pause
Twisting the earcups inwards immediately stops the music

Bluetooth connection
Easy wireless pairing with enabled devices

Passive mode
In case the battery is dead, you can simply plug the 3.5 mm aux cable that is included in the box and continue to listen to the music

One hand control
Easy, quick and convenient control of the music

Foldable
Save space in your bag by folding the headphones

Bass boost button
Makes sure that every beat is expressed in the best way

Rechargeable battery
Offers up to 60 hours of music listening

Over-ear type
Gently covers your ears without any pressure or discomfort

Multilink support
Headphones can be paired with multiple devices at the same time. No more reconnecting after switching from a phone to a laptop

Technical Specifications

Classification of battery	CL126:NE:2016-12-09
Composition of battery	CL127:KT:2016-12-09
Type of battery	Accumulator
Embeeded battery	Yes
WEEE tax	Yes
WEE classification	CL109:5:2017-04-01
Paper/Pasteboard	210
Plastic (No PET)	5
Packing quantity	20
Gross weight	0.372
Gross depth (mm)	190
Gross width (mm)	105
Gross height (mm)	185
Volume (m3)	0.00369075
Net weight	0.094
