- Spare ear pads

General overview

1. MULTIFUNCTION BUTTON
2. VOLUME - / BACK
3. VOLUME + / NEXT
4. INDICATOR
5. MICROPHONE
6. CHARGING CONNECTION

Main functions

Switching on and off the device

To turn on your device, press and hold the *MULTIFUNCTION BUTTON* (1) for 2 seconds and the *INDICATOR* (4) will light in blue. When switching on the device, you will hear a confirmation sound. When the device is on, the *INDICATOR* (4) will keep flashing blue.

To turn off your device, press and hold the *MULTIFUNCTION BUTTON* (1) for 3 seconds. You will hear a sound when turning off the device.

Charging the battery

When the battery level is below 10%, the *INDICATOR* (4) will flash red and you will hear a sound to remind you to charge the battery through the *CHARGING CONNECTION* (6).

Connect the mini USB end of the included USB cable to the *CHARGING CONNECTION* (6) and the other USB end to any device with an USB charging port to provide energy (PC, USB wall charger, car charger, etc) to charge the battery.

The *INDICATOR* (4) lights in red while charging the battery and turns blue once the charging process is completed.

Important: We recommend not to leave your *Earphones Sport 1 Bluetooth* unused for long periods of time with an empty battery. We advise to charge your earphones' battery at least once a month.

Bluetooth pairing

Turn off your Earphones Sport 1 Bluetooth and press the *MULTIFUNCTION BUTTON* (1) for approximately 4 seconds, until the *INDICATOR* (4) starts flashing blue and red. At this point, you will be able to pair your earphones with your smartphone or tablet. Once your Sport earphones have been detected, press "connect". The devices will be connected immediately and without codes. You will hear a sound that confirms that both devices have been paired.

Playback control

Press the *VOLUME +* (3) or *VOLUME -* (2) buttons to adjust the playback volume. You will hear a beep when reaching the maximum and minimum volume levels.

Press the *MULTIFUNCTION* (1) button to pause or resume playback.

Press the *NEXT* (3) or *BACK* (2) buttons for 2 seconds in order to switch to the next or previous track.

Call control

You will be able to control your calls from your earphones if you pair your *Earphones Sport 1 Bluetooth* with your mobile phone.

Answer a call

You can answer a call by pressing the *MULTIFUNCTION* (1), *VOLUME -* (2) or *VOLUME +* (3) button once.

End a call

Press the *MULTIFUNCTION* (1) button once to end a call.

Redial a number

Press twice the *MULTIFUNCTION* (1) button to dial the last telephone number in your smartphone's call log.

Reject a call

Press the *MULTIFUNCTION* (1) button for approximately 2 seconds to reject an incoming call.

Warranty

Energy Sistem Technology, S.A. is liable for any lack of conformity that exists at the time the goods are purchased during a period of 36 months. Batteries are excluded from the 36-month warranty, having a warranty period of 24 months.

This warranty covers any defects in workmanship or materials. This warranty does not cover any product failure due to accidents, misuse or alteration made by an unauthorized person.

The special 36-month warranty is valid for the European Union. For other countries please refer to the specific legislation or your local distributor.

Warranty procedure

Please visit <http://www.energysistem.com/en/support> and select your product to view the FAQ (Frequently Asked

Questions), user manual, quick guide, drivers and updates available, submit a query to Technical Support Service or manage the warranty.

You can check the availability of the user manual in your language at

<http://www.energysistem.com/en-en/support/manuals>

Alternatively, you may prefer to contact the distributor that sold the product by presenting the purchase receipt or invoice.

Important: This warranty does not cover any damage or loss of data stored in warranty products. Therefore, Technical Service of Energy Sistem Technology, S.A. will not assume any loss of the above mentioned information. In this respect it is recommended that you make a backup of your data and remove any personal data from the product's internal memory before you send it or send the device with the original data only.
