Model, Modèle, Modelo, 型號: YY2951

The diagram illustrates the connection process for Sony Headphones Connect. It starts with a smartphone screen displaying the 'Sony Headphones Connect' app, a QR code, and the URL 'sony.net/hpc/'. A blue arrow points down to a person wearing headphones. This is followed by a hand tapping a 'Connect' button (represented by a headphones icon) on a smartphone screen. The final step shows a person wearing headphones with a speech bubble indicating 'Bluetooth connected'.
