

SanDisk® Ultra Curve™ 3.2 Flash Drive

From workdays to weekends

No matter where life takes you, get ahead with the SanDisk® Ultra Curve™ flash drive. Capacities up to 512GB* and time-saving transfer speeds up to 100MB/s[1] let you quickly store more of what matters to you—whether it's for work, school, or fun. With no internet required, and no costly monthly fees, this drive gives you a private, affordable way to save and access your content whenever and wherever you need it. Plus, RescuePRO® Deluxe data recovery software[2] (download required) helps keep your critical content safe, so you can use your drive with confidence and enjoy peace of mind. And, its built-in keyring loop allows you to take your drive with you wherever you go.

Capacities

- 32GB, 64GB, 128GB, 256GB, 512GB*

Highlights

- Store more with capacities up to 512GB*
- Transfer files fast with speeds up to 100MB/s[1]
- Save money with an affordable price point
