HAPPY PLUGS AIR 1 PLUS USER MANUAL

CONNECT AND USE

- 1 Charge Air 1 Plus for at least 15 minutes before use.
- 2 Remove the earbuds from the charge case. Keep them within 10 cm / 4 inches apart from each other until the LED on one of the earbuds stops blinking.
- 3 Select "Air 1 Plus" on your phone/device to pair. Wait for the pop-up prompt and accept to do a full pair.

- 1 When inserting the earbuds into your ears - make sure not to touch the touch control surface. A five second touch turns the earbud off.

RESET TO FACTORY SETTINGS

- 1 Delete "Air 1 Plus" from your Bluetooth devices list.
- 2 Make sure the charge case is charged. Put the earbuds in the charge case.
- 3 Touch and hold the touch sensors on both earbuds for 10 seconds until the earphone LEDs blink 3 times.

The earbuds are now reset and ready to pair to your device. Just follow the quickstart steps.

CALLS

When using the Air 1 Plus for phone calls, both earbuds are active.

- 1 On Apple devices, while your Air 1 Plus is paired; go into Settings > Accessibility > Touch, scroll down to Call Audio Routing and select Bluetooth Headset.

SIRI OR GOOGLE ASSISTANT

- 1 Control calls and music with Siri or Google Assistant. On iPhone, go into Settings > Touch ID & Passcode, scroll down to Allow Access when locked and enable Siri.

TOUCH CONTROLS
