MASTERBOX TD500L

MCB-D500L-KANN-S00

The MasterBox TD500L makes you stand out from the rest with a Three Dimensional diamond cut design of the front bezel and side panel. This uniquely shaped edge to edge side panel will create special lighting effects from different viewing angles, but also gives you a clear view inside your system.

The full black coated interior is the perfect canvas for your build. The PSU cover and 19mm of space behind the mainboard tray provides enough space for cable management to keep your build nice and clean.

Support for a total of six 120mm fans and support for front, top, and rear radiator placement ensure you don't have to compromise on performance. Graphics card support up to 407mm allow you to equip yourself with the latest graphics cards for your cutting-edge system build.

FEATURES

Diamond Cut Design: Stand out from the rest with a three dimensional diamond cut design of the front bezel and side panel.

Edge to Edge Transparent Side Panel: Show off your build through the uniquely shaped edge-to-edge acrylic side panel and enjoy the special lighting effects from different viewing angles.

Cable Management: The PSU cover and 19mm of space behind the mainboard tray gives you plenty of cable management options to keep your build nice and clean.

Cooling Performance: Support for a total of six 120mm fans and support for front, top, and rear radiator placement ensure you don't have to compromise on performance.

Graphics Card Support: Equip yourself with the latest graphics card up to a length of 407mm for your cutting-edge system build.
