DELL Technologies

Silent as a mouse

Dell Silent Mouse | **MS355**

Work quietly in any space silence with Dell's most silent wireless mouse.* Designed to minimize disruptive clicking sounds, it creates a distraction-free environment, perfect for open office settings. Its compact, sleek design offers comfort and quiet operation, facilitating seamless multitasking and enhanced productivity.

Silent and compact

Discover quiet efficiency with our compact mouse, crafted for space-saving and noise-free operation. Engineered to minimize disruptive clicking, scrolling, and gliding sounds, it enhances concentration during work. Its sleek form factor allows for easy portability and extended comfort during work sessions, making it a versatile companion for various work environments.

Enhanced productivity

Navigate with precision and style using our mouse's adjustable DPI of up to 4020, ensuring seamless navigation across any monitor resolution. Enjoy the convenience of a programmable scroll wheel, ambidextrous design, and benefit from secure dual-mode connectivity and one-click[1] pairing via Dell Pair[2] for effortless connection, empowering you to maximize productivity with ease.

Sustainable performance

Relish up to 36 months of battery life[3] for this mouse, backed by our 3-year advance exchange service. Rest assured, our devices are sustainably made with 54% post-consumer recycled plastic[4], reducing their environmental impact.

* Based on Dell analysis, April 2024

1 When accessory is in Bluetooth pairing mode.

2 Dell Pair is available with select accessories, commercial & consumer PCs; availability and functionality vary by model. For more details visit https://dell.com/support/kbdoc/0002016932

3 Based on Dell analysis of battery life usage model calculations, Apr 2024. Results vary depending on use, operating conditions and other factors.

4 Based on internal analysis, May 2024

Dell's most silent mouse*

Programmable scroll wheel

Click, scroll, and glide silently for minimized distractions
